ORDER

The Constitution of the Consumer Welfare Fund by the Central Government has played a pivotal role in the development of Consumer movement in the Country. Financial assistance from the Consumer Welfare Fund, established in 1992, is given by the Central Government to any registered agency/organization or village/mandal/samithi and State Government for undertaking Consumer Protection/Consumer Welfare activities. Government of India directives in the matter is to give further impetus to the voluntary efforts for strengthening the movement.

(2) Since the funds at the Central level may not be able to cater to all the increasing demands, Government of India, vide their letter read as first paper above, have directed the State Governments/Union Territories to consider setting up of similar consumer welfare funds at State/Union territories level so that voluntary efforts for promoting Consume Movement can be strengthened through financial support. Earlier the seed money fixed by the Central Government for setting up of State Consumer Welfare Fund was in the ratio of 1: 10 (Centre: State)' and the seed money has been enhanced in the ratio of 50:50 (Centre: State) as per the letter read as second paper above.

3. Government of Kerala accords high priority to the programmes of Consumer Protection and Awareness. The Consumer Awareness in Kerala has gained momentum during the last few years, as a result of which, consumers at large have become more vigilant about their grievances. Government have taken several initiatives for the welfare of the consumers. However, the level of awareness among the general public especially at grass-root level, about the schemes and measures adopted for their welfare, is grossly inadequate. This prevents the consumers from taking full advantage of the rights and benefits available to them. There is an urgent need to undertake concerted efforts, through Voluntary Consumer Organizations and other agencies for generating awareness among all sections of people including the rural areas and to empower the voluntary consumer movement in general.

4. The State Government has set apart an amount of Rs. 15 lakhs in the. current financial year's budget towards Consumer Welfare Fund. The contribution of Government of India also will be Rs. 15 lakhs. To empower the Voluntary Consumer Movement and also in the light of the Central Government efforts/directives the Government of Kerala hereby constitute the State Consumer Welfare Fund for the development of Consumer movement in the State subject to the conditons that no additional posts shall be created for the time being for the implementation of the Scheme and without any additional financial support from the State Government. The rules governing the fund are given in the annexure to this order.

5. The Government will issue necessary orders for opening a Special Treasury Savings Bank Account in the name of the Chairman (Secretary, Food, Civil Supplies and Consumer Affairs Department) of the Committee under the Kerala Consumer Welfare Fund 2007 so as to enable to credit the current year's Budget provision of Rs. 30 lakhs as funds for State Consumer Welfare Fund.
